Oh-Oh-Oh Oh-Oh-Oh-Oh-Oh  
Oh-Oh-Oh Oh-Oh-Oh-Oh-Oh

Looking at the lonely telegram, I crept into your room  
Listen to the breathing voices of the ones around the  
tomb  
The radio is playing, but I can't hear them sing  
The people are explaining, but they don't know a thing  
Give me a sign, give me a sign  
I wanna die tonight

They say that London sounds like a city of red  
All the prisoners wait for their turn to be dead  
You don't love me  
You don't love me like you say you do

I can take a picture, you can be a picture  
Stitched into my faded black  
I can take you home, or I can be a home  
We'll never look on back  
The radio is playing, but I can't hear them sing  
The people are explaining, but they don't know a thing  
Give me a sign, give me a sign  
I wanna die tonight

They say that London sounds like a city of red  
All the prisoners wait for their turn to be dead  
You don't love me

You don't love me like you say you do

Oh, London sounds like a city of red  
All the prisoners wait for their turn to be dead  
And I don't want to die  
No I don't want to die...Tonight

Come out, I'm waiting on your front porch  
You came in through the back door  
We drift along the flooded sea of muddy waters  
Clouds above us crying tears of sins  
All dying  
We're begging for a reason

Oh-Oh-Oh! Oh-Oh-Oh-Oh-Oh!  
Oh-Oh-Oh! Oh-Oh-Oh-Oh-Oh!

Now come out, I'm waiting on your front porch  
You came in through the back door  
We drift along the flooded sea of muddy waters  
Clouds above us crying tears of sins  
All dying  
We're begging for a reason  
This year seems like a season  
Belief in how we're living  
Story with no ending  
The storm is beating down  
But we're sinking to the sky  
We're sinking to the sky  
We're sinking to the sky  
We're sinking to the sky
