Get me right, all it takes is silent night  
I want my eyes to see these lights  
hold hold hold on hold hold on  
but when it comes it goes  
I am on my knees, oh forgive me  
get me right, look at these people flying kites  
they seem to live forgotten nights  
hold hold hold on hold hold on  
but when it comes it goes  
I am on my knees  
oh forgive me

Drive, I got my head on aright  
I got my people strapped tight  
I got my head on aright  
oh oh oh oh  
I, I got my head on aright  
I got my people strapped tight  
I got my head on aright  
oh oh oh oh

Oh get me right, all it takes is starry nights  
I want my eyes to see these lights  
hold hold hold on hold hold on  
but when it comes it goes  
I am on my knees  
oh forgive me  
get me right, look at these seagulls in the air  
they seem to yell just like we care  
hold hold hold on hold hold on  
but when it comes it goes  
I am on my knees  
oh forgive me

Drive, I got my head on aright  
I got my people strapped tight  
I got my head on aright  
oh oh oh oh  
I, I got my head on aright  
I got my people strapped tight  
I got my head on aright  
oh oh oh oh

Drive, I got my head on aright  
I got my people strapped tight  
I got my head on aright  
oh oh oh oh  
I, I got my head on aright  
I got my people strapped tight  
I got my head on aright  
oh oh oh oh
