Try to hear my voice  
You can leave, it's your choice

Maybe if I fall asleep, I won't breathe right  
Maybe if I leave tonight, I won't come back

I said it before, I won't say it again  
Love is a game to you, it's not pretend  
Maybe if I fall asleep, I won't breathe right

Can nobody hear me?  
I've got a lot that's on my mind  
I cannot breathe  
Can you hear it, too?

You kiss and you kiss  
And you love and you love  
You've got a history list, and the rest is above  
And if you're warm, you can't relate to me  
From the floor to the floor  
And the sky to the sky  
You've got to love and adore and the rest is awry  
And if you're warm, then you can't relate to me  
I said it before, I won't say it again  
Love is a game to you, it's not pretend  
Maybe if I fall asleep, I won't breathe right, right, right?

Can nobody hear me?  
I've got a lot that's on my mind  
I cannot breathe  
Can you hear it, too?

Leave your shoes at the door, baby  
I am all you adore, lately  
Come with me and we will run away

Can nobody hear me?  
I've got a lot that's on my mind  
I cannot breathe  
Can you hear it, too?  
Can nobody hear me?  
I've got a lot that's on my mind  
I cannot breathe  
Can you hear it, too?
