Oh, dig my shallow grave  
It's not me you'll save  
Cuz' I'm a lost cause  
I'm a lost cause  
A lost, lost cause

Wait, all this time that I have spent away  
Makes me think that I might be okay,  
For this, the deaf will have to wait  
My head, is holding on to all those things you said  
You taught me to be strong and get through it, the mist  
of darkness  
In my head

Oh, dig my shallow grave  
It's not me you'll save  
Cuz' I'm a lost cause  
I'm a lost cause  
A lost, lost cause

Wait, no one said what's lost cannot be found  
You are here to make it safe and sound,  
Oh we, can make it, out alive  
Fate, hath it's way when all that's learned is sin  
Nothing really matters in the end,  
As long, as you, are with me, friend

Oh, dig my shallow grave  
It's not me you'll save  
Cuz' I'm a lost cause  
I'm a lost cause  
A lost, lost cause

No one can understand me  
Like you can understand  
No one can fill your shadow  
Cuz you are all I am

Oh, dig my shallow grave  
It's not me you'll save  
Cuz I'm a lost cause

I'm a lost cause  
A lost, lost cause
