We are all living the same way, same way
We are escaping the same way, same way
Circling
We are a part of the same play, same play
We think we're making our own way, same play
Circling

You don't have to hold your head up high

Round and round
I won't run away this time
Till you show me what this life is for
Round and round
I'm not gonna let you change my mind
Till you show me what this life is for

We are afflicted by fiction
Building a case for eviction
Circling
Guarding a tower of ancients
Shooting down arrows of patience
And patiently circling

You don't have to hold your head up high

Round and round
I won't run away this time
Till you show me what this life is for
Round and round
I'm not gonna let you change my mind
Till you show me what this life is for

All the emptiness inside you
Is hard enough to fill
Without a sense of purpose
Were setting up to fail
You don't have to make it right
Just hold your head up high

Round and round
I won't run away this time
Till you show me what this life is for

Round and round
I'm not gonna let you change my mind
Till you show me what this life is for
