Come on!

2, 3, 4

Trap, I falled in a trap

Society has pushed me into the system

Not easy to escape

No way out! To live as you want

You have to be in the marge of society

Fuck, I fuck you, bitch,

You and your fukcing system

I fuck you all, your mother fuck her!

Huh!

Refrain:

BLBLBLBLWAWAWA...

Let's make some noise (x4)

BLBLBLBLWAWAWA...

Let's make some noise (x4)

BLBLBLBLBLBLBLBLBLBLBLBLBLBLBLBLBL...

Refrain
