When the sun appears
Remember, I was so young
Someone in the past comes upon
Your love is stupid, comprehension

What has been done to me?
Never wanna live differently
Not scared, don't be a puppy
Just bring it back on my knee

Wanna restart this game over
Never beg to differ my destiny
Why can't you be like her?
Is this your love for me?

THERAPY FOR DOGS
(Don't wanna be hostile) (x4)

Quicksend in my head, bullet in my head
Am I so precious, you're not so precious

Just look into my brain
I'm just a murderer
Just an imbecile
I only will
Complicate your life
Trust me
Kill me
My job
Is stupid
It simply means
Nothing to me
And there is
Nothing I can say
I guess
I am
Still alive

Burning
But don't
Approach
Another

Dead hero
Dives in the
Undertown
Weak
Thing
Go round
In circle
So nice
Fucking box
Break my nerves
Won't you come on?
Just take a
Therapy
Don't be
Silly, Ouach!
