Neslepaks

Og p den ttende dagen slukte han alt vann
Og p den niende dagen fordervet han all mat
Og p den tiende dagen brant han jorden

Neslepaks

Neslepaks

Neslepaks

Og p den ellevte dagen slo han folk og dyr i hjel
Og p den tolvte dagen kvalte han himmelriket
Og p den trettende dagen skygget han for solen

Neslepaks

S var der ingen dager mer
S var der ingen dager mer
Ingen dager mer
Ingen dager mer

Torneherren speiles i delagt liv
Mens sorgengler regner fra oven
Til kosmos' endelse tidsrom skjenkes vi
Den siste dd
Skjenkes vi den siste dd

[Neslepaks - 'The Creation' Spelled Backwards]

Neslepaks

And on the 8th day he devoured all water
And on the 9th day he spoiled all food
And on the 10th day he burned the earth

And on the 12th day he beat people and animals to
death

And on the 12th day he strangled heaven
And on the 13th day he covered the sun
And then there were no more days
And then there were no more days
No more days
No more days

The Thornmaster is mirrored in ruined life
While angels of sorrow rains from above
To the endless time of cosmos we are given
The final death
We are given the final death.
