Emerging, from the abyss of black hearts (souls)
Behold, the rise of the flaming trinity
Come forth high priests of impurity
Dwellers of the deeps of the Paining Sea
Mourners of Life, Yearners of Death
Who fills their chalice with Thornspawn visions
Embrace symbols of That Night without end

Glory. Glory. Armageddon.
Chant Damnations Hymns
(make) Bloodsmeared ripping love to our souls and
flesh
Rape out hateful hope in Daimonion Communion
For we are draped in shadows
Until the night of the Rising Unholy Three...
