Like a butterfly up in the air  
She's takin' me somewhere new  
Everytime she looks at me  
With those eyes so blue

Like a rocket shooting up to the sky  
She's got me burnin' up inside  
Like a fever that just won't break  
Like a dream while I'm awake

Chorus:  
Well I, Can't believe I,  
I keep fallin' deeper, fallin' in love.  
As hard as I try,  
I can't get her off my mind

Like a firefly burning in flight  
A shooting star inside of my mind  
Is racing every night  
She's overrun my life

Like a carrousel spinning around  
She dances 'til the sun goes down  
I'll take her tiny hand in mine  
And leave the world behind

Chorus (2x):  
Well I, can't believe I,  
I keep fallin' deeper, fallin' in love.  
As hard as I try,  
I can't get her off my mind

Like a river runnin' outta control  
She floods into my heart and soul  
And sees beyond who I have been  
And lets me love again

Chorus (2x):  
Well I, can't believe I,  
I keep fallin' deeper fallin' in love.  
As hard as I try,  
I can't get her off my mind

I can't get her off my mind  
I can't get her off my mind  
I can't get her off my mind...
