Come Away
Make your escape
Come Away
It's not too late

Chorus:
Come Away
Make your escape
Come Away
It's not too late

You feel you've lost it all
And slipped from the grip of grace
You can't even smile
You can't even pray
Just open your eyes, there's still a way
It's not too late

Chorus:
Come Away
Make your escape
Come Away
It's not too late

You've waited all your life
For destiny to arrive
Watching the clock as it ticks hope away
How long will you refuse to change?
It's not too late to fall on faith

Chorus:
Come Away
Make your escape
Come Away
It's not too late

Break away, Break away
The doors are wide open
Break away, Break away
You're meant to be free
Break away, Break away
The locks are all broken

Break away, Break away

Chorus:

Come Away

Make your escape
