It's another cloudy day
Everything is turnin' gray
Raindrops are fallin' on my head

The sky lets loose,
The water pours
I'm cryin' out amidst the storm
And raindrops keep falling on my head

Chorus:
'Cause every time it rains
When shadows darken my day
You will carry me through it all
And even when the storms of
This life are hard to bear
You are always there

I'm soaked in sorrow, drenched in pain
I'm fallin' to my knees again
Raindrops keep fallin' from my eyes

Chorus:
'Cause every time it rains
When shadows darken my day
You will carry me through it all
And even when the storms of
This life are hard to bear
You are always there

I wanna wake up to a new life
Where everything is golden
And open my eyes into the sun above me

I wanna wake up to a new life
Where everything is golden
I wanna wake up to a new life
Where everything is golden

Chorus:
'Cause every time it rains
When shadows darken my day
You will carry me through it all

And even when the storms of
This life are hard to bear

Chorus:
Well every time it rains
When shadows darken my day
You will carry me through it all
And even when the storms of
This life are hard to bear
You are always there

You're always there
You're always there
