I've been running for so long,
Just to find there's nowhere to hide
You've been planning this arrest
Laying siege inside my chest

Well I'm finally ready,
ready to surrender
And I'm finally ready,
ready to fold
I'm raising the white flag
above my head
Come into my life
I'm letting you in

You've been waiting for this day
Just to see me down on my knees
I'm handing over all of me
I am abandoned recklessly

Well I'm finally ready,
ready to surrender
And I'm finally ready,
ready to fold
I'm raising the white flag
above my head
Come into my life
I'm letting you in
I'm letting you in

Walls fall down (down)
Around my heart (around my heart)
Walls fall down I'm letting you in

Well I'm finally ready,
ready to surrender
And I'm finally ready,
ready to fold
I'm raising the white flag
over my head
Come into my life
I'm letting you in

Well I'm finally ready,
Ready to surrender
And I'm finally ready
Ready to fold
I'm raising the white flag
Above my head
Come into my life
I'm letting you in
