Guilty as charged  
Wretched I stand  
Blood stains my skin  
The nail is in my hand

Guilty as charged  
Convicted and framed  
The spear in your side  
Was marked with my name

Bridge:  
Who am I to stand in your prescence?  
Stripped of my innocence?  
Who am I to stand in your prescence?  
Stripped of my innocence?

Chorus:  
I stand and wonder at the price you paid.  
Just to be with me, you gave it all away.  
I stand and wonder at your endless mercy.  
Though I deserve to die, you're callin' out to me.

Guilty as charged  
Wretched I stand  
Blood stains my skin  
The nail is in my hand

Callin' out, Callin' out, Callin' out to me  
Callin' out, Callin' out, Callin' out to me  
Callin' out, Callin' out, Callin' out to me  
Callin' out, Callin' out, Callin' out to me  
Callin' out, Callin' out, Callin' out to me  
Callin' out, Callin' out, Callin' out to me

Chorus:  
I stand and wonder at the price you paid.  
Just to be with me, you gave it all away.  
I stand and wonder at your endless mercy.  
Though I deserve to die, you're callin' out to me.

Callin' out to me  
You're callin' out to me...
