As I lay me down to sleep  
I pray the Lord my soul to keep  
If I should die before I wake  
I pray the Lord my soul to take

Chorus:

Father hold me  
As the storm rages on  
Through the thunder and rain  
In my fear and my pain  
Father hold me  
When I can't find my way  
You're a lamp to my feet and a light to my soul  
Father hold me

Chorus:

Father hold me  
As the storm rages on  
Through the thunder and rain  
In my fear and my pain  
Father hold me  
When I can't find my way  
You're a lamp to my feet and a light to my soul  
Father hold me

Oooh you rescued me  
And you renewed my faith  
You are my guiding light, Lord  
When I can't find my way

Chorus:

Father hold me  
As the storm rages on  
Through the thunder and rain  
In my fear and my pain  
Father hold me  
When I can't find my way  
You're a lamp to my feet and a light to my soul

Chorus:

Father hold me  
As the storm rages on

Through the thunder and rain  
In my fear and my pain  
Father hold me  
When I can't find my way  
You're a lamp to my feet and a light to my soul  
Father hold me

Father hold me

As I lay me down to sleep  
I pray the Lord my soul to keep  
If I should die before I wake  
I pray the Lord my soul to take...
