I tried to find you where we last met
All to uncover that there's nothing left
The magic was gone, we had moved on
Walking directions apart for too long

Chorus:

I don't deserve you
For this I'm ashamed
If ever I find you,
You'll hear me say
Not this time
Not this time
To hold you I'd carry the world
And not this time
Not this time
I'm never ever letting go
I'm not letting go

The way we would sing in harmony
Your love and devotion all over me
But I walked away, far from this place
Hoping and wishing that we would not change

Chorus:

I don't deserve you
For this I'm ashamed
If ever I find you,
You'll hear me say
Not this time
Not this time
To hold you I'd carry the world
And not this time
Not this time
I'm never ever letting go
I'm not letting go

Never letting go
Never letting go
Never letting go
Never letting go of your love
Never letting go
Never letting go

Never letting go of your love

Chorus:

And not this time,
Not this time
To hold you I'd carry the world
And not this time
Not this time
I'm never ever letting go

Not letting go, not letting go-o
Not letting go, not letting go-o,
Not letting go, not letting go-o
Not letting go, not letting go
