I'd write a million songs about you
And make sunrise your own
The melodies can never compare
Where the sun sets, I'll meet you there

Chorus:

I'll meet you in my dreams tonight
One mile can't separate all the memories we'll make
In my dreams tonight
We'll slow dance 'til the morning,
And until I wake

If I held the remedy
I'd turn your ashes into beauty
If in your darkest hour I made you smile
Then my whole life would be worthwhile

Chorus:

So meet me in my dreams tonight
One mile can't separate all the memories we'll make
In my dreams tonight
We'll slow dance 'til the morning,
And until I wake

Be my dream...
And you'll be my dream...
And you'll be my dream...
You'll be my dream...

Chorus:

In my dreams tonight
No mile could separate all the memories we'll make
And in my dreams tonight
We'll slow dance 'til the morning
And until I wake...
