I wake up in the middle of the night
Terrified that maybe you're not real
I'm frightened by the very thought
That you just might be only in my mind

Chorus:

Well I believe in what I know,
My eyes will never see
I believe in angels watching over me

I look up at an endless sky
Amidst the stars, I'd never catch your eye
With all the world and universe,
A crowded Earth, you'll never hear these words

Chorus:

Well I believe in what I know,
My eyes will never see
but I believe in angels watching over me

Watchin' over me
Watchin' over me
Watchin' over me
Watchin' over me

But there's a whisper in the dark
A burning in my heart
Somewhere in the depths of me
Is dyin' to believe

Chorus (2x):

But I believe in what I know,
My eyes will never see
but I believe in angels watching over me

Watchin' over me
Watchin' over me
Watchin' over me
Watchin' over me
Watchin' over me
Watchin' over me
Watchin' over me
