Has it come to this?
I'm sitting at the terminal
I'm waiting on a plane to carry me away, yeah
'Cause I am a dreamer,
My head is in the clouds
But I gotta get out,
And leave this town

Chorus (2x):
Waving goodbye to my former life
At a steady pace, I'm leavin' this place
Waving so long, I'm movin' on
The road before me is ever-changing.

I have not arrived
But I will keep on walking steady
I know I was meant for more than this
If this really what you want
That's just fine with me
But I gotta get out
And leave this town

Chorus (2x):
Waving goodbye to my former life
At a steady pace, I'm leavin' this place
Waving so long, I'm movin' on
The road before me is ever-changing

I watch the world go round
I won't be another face in the crowd
Watchin' the world go round and around
I will never be the same

Chorus (2x):
Waving goodbye to my former life
At a steady pace, I'm leavin' this place
Waving so long, I'm movin' on
The road before me is ever-changing

The road before me is ever-changing
The road before me is ever-changing
