People to see
places to be

People to see
places to be

I can't believe
you think you can decide
who i'm going to be

I can't believe
you think you can decide
who i'm going, going to be

Please don't take me now, I haven't lived a full life yet
a whole life yet
Please don't take me now, I haven't lived a full life yet
a whole life yet, yet.

Who are you
to decide
who i'm going to be today
who are you
who are you
to decide
who i'm going to be today
who are you

Who do you think you are?
Who do you think you are?

Please don't take me now, I haven't lived a full life yet
a whole life yet
Please don't take me now, I haven't lived a full life yet
a whole life yet, yet.

We are right where we need to be
we are right where we need to be
we are right
where we need to be
for the day of judgement
we are right

where we need to be
for the day of judgement
day of judgement
