Maybe Iâ€™m a man to say the least,
You curse my name and then you go,
Oh.
So long to silver days,
Weâ€™ve got to get away,
Maybe youâ€™re a curse and donâ€™t you know, oh.
Goodbye sarah, itâ€™s too late now,
Sheâ€™s gone crazy and maybe, sheâ€™s gone south.
(come with me)
(come with me)
maybe youâ€™re a CURE but donâ€™t you know,
you say my name, and then youâ€™ll see, that THIS IS
ME.
So long to ORANGE days now, cause weâ€™ve got to get
away, cause.
Maybe youâ€™re a curse and donâ€™t you knowâ€¦ohâ€¦
Goodbye sarah,
Itâ€™s too late now,
Sheâ€™s gone crazy, and maybe,
Sheâ€™s gone south..yeah.
(come with me)
