Where is the ritual  
And tell me where where is the taste  
Where is the sacrifice  
And tell me where where is the faith  
Someday there'll be a cure for pain  
That's the day I throw my drugs away  
When they find a cure for pain  
Where is the cave  
Where the wise woman went  
And tell me where  
Where's all that money that I spent  
I propose a toast to my self control  
You see it crawling helpless on the floor  
Someday there'll be a cure for pain  
That's the day I throw my drugs away  
When they find a cure for pain (x2)  
When they find a cure find a cure for pain
