I feel lucky
I just feel that way
I'm on a bus to Atlantic City later on today

I have a seat at a black jack table
swear to God the dealer has a tag says Mabel
hit me, hit me
I smile at Mabel
soon they're bringin complimentary drinks to the table

players win, winners play
have a lucky day
players win, winners play
have a lucky day
have a lucky day

Mabel gives me a great big smile
she's gettin to know me
she's on my side
I'm a winner and I came to play
now I know why they say

players win, winners play
have a lucky day
players win and winners play
have a lucky day
have a lucky day

now I'm down a little
in fact I'm down a lot
I'm on a rollercoaster ride and I can't stop
my luck has changed, but she'll come back
that's the beauty of a game of chance
I can't lose forever, but I'm doomed to try
I keep on hearing that voice inside

players win, winners play
have a lucky day
players win and winners play
have a lucky day
have a lucky day
have a lucky day
