On my first day back, first day back in town
First day, my first day back in town
The clouds up above, they were hummin' our song
Hummin', hummin' our song

My biggest fear is if I let you go
You'll come and get me in my sleep
My biggest fear is if I let you go
You'll come and get me in my sleep
Come and get me

I set my course, sailed away from shore
Steady, steady as she goes
I crash in the night, two worlds collide
But when two worlds collide no one survives, no one
survives
And the reddest of reds, bluest of blues
The saddest of song I'll sing for you

And my biggest fear is if I let you go
You'll come and get me in my sleep
My biggest fear is if I let you go
You'll come and get me in my sleep
Come and get me
Come and get me in my sleep
Come and get me
Come and get me in my sleep
