Intro:

Iâ€™m tired of all this pain  
But I donâ€™t know what do  
I need help go through  
Help me outâ€¦â€¦

Verse one:

Beginning-  
My mind is spinning,  
Donâ€™t know what I wanna do.  
Thatâ€™s just the beginning,  
Itâ€™s like I canâ€™t even move.  
I wanna go, I wanna stay  
Iâ€™m so confused.  
Donâ€™t know what to say  
Better yet donâ€™t know what to do.

Bridge:

So stop, stop  
Making me go crazy.  
Get up and out, baby  
Do you stay, do you go,  
I think yes so get out the door.

Chorus:

Iâ€™m confused about this,  
I think I should stop this,  
No I donâ€™t, yes I do  
Iâ€™m so confused  
I think yes, I say no  
Beginning-  
I say stay, you should go  
Next-  
Its so confusing  
Beginning-  
Whatâ€™s the right thing

Verse two:

Next-  
In my mind,  
Boy you stay,  
And sometime I would say

I want you, I need you  
That's not true I'm so confused  
Still don't know what say  
And still, don't know what to do

Bridge:  
So stop, stop  
Making me go crazy.  
Get up and out, baby  
Do you stay, do you go,  
I think yes so get out the door.

Chorus:  
I'm confused about this,  
I think I should stop this,  
No I don't, yes I do  
I'm so confused  
I think yes, I say no  
Beginning--  
I say stay, you should go  
Next-

Verse three:  
It's like dada dada dum  
I want you back but want you gone,  
Now I'm sitting no standing in the rain,  
Tryna figure how to delete the pain.  
So don't walk out because if you leave,  
You'd be cutting me open,  
Making me bleed  
I feel so confused  
Do you love me,  
I don't want to be used

Bridge:  
So stop, stop  
Making me go crazy.  
Get up and out, baby  
Do you stay, do you go,  
I think yes so get out the door.

Chorus:  
I'm confused about this,  
I think I should stop this,  
No I don't, yes I do  
I'm so confused  
I think yes, I say no  
Beginning--

I say stay, you should go  
Next-

So confusing  
Next-  
(whispering)
