Thoughts of you in the air
Now that summer is here
Laying on a field of flowers
Looking forwards the clouds
They picturize you and I

There's no hope for us
There's no love left for you
My heart is telling me
There's no love left for you

Greed, only greed with everything
Sacrifice at last
Heart broken
Can't be whole again

Summerbreeze, touch my cheek
With shiny eyes and smiling face
Kissing a flower

Hold it to my chest
And close my eyes
And fall peacefully asleep

There's no hope for us
There's no love left for you
My heart is telling me
There's no love left for you

And so it all goes on
Like a movie without an end
Til it's all over staying
An forever romanticer,
Knowing it will always
Slip out of my hands
