

Imperia "Hold On"

Visit "[Hold On](#)" on MotoLyrics.com

I know you're going through a rough time
Don't be afraid, I've been there too
I can't tell you what to do, but after all
I will be right behind you to catch you if you fall

Hold on, hold on
Life is a gift, don't you dare to throw it away

If you could see yourself from my eyes
That would a smile upon your face
You would feel strong enough to make it through
And you would walk on with your head held high

Hold on, hold on
Life is a gift, don't you dare to throw it away
