In My Mind

In your mind where I live  
In your thoughts where I breathe  
In your fantasy world where I stay  
In your mind I live

In your mind where I live  
In your thoughts where I breathe  
In your fantasy world where I stay  
In your mind I live

Without you there is no night, because you are my star  
Never again will I trust  
My only love took the last of me  
Stole my soul that were glowing  
Faded those sparkled eyes  
Where is happiness?  
In my dreams I'm free

In your mind where I live  
In your thoughts where I breathe  
In your fantasy world where I stay  
In your mind I live

In your thoughts I stay  
In your mind, I live, I stay  
In your thoughts, I stay, I stay
