Can't seem to find  
What makes me happy  
No matter how hard I try  
It all comes back to me

Like rain,  
Today you comfort me  
You cry more than I do  
Silence you are my only friend

I just can't stop my tears from falling  
I just can't stop my tears from falling down

Like rain, rain  
Feeling lonely  
Like rain, rain  
Wonder where you are

I'm looking left  
Then looking right  
But it's all emptiness  
Even inside

Like rain,  
Today you comfort me  
I see the light of the stars  
Do you see the same

I just can't stop my tears from falling  
I just can't stop my tears from falling down

Like rain, rain  
Feeling lonely  
Like rain, rain  
Wonder where you are

I just can't stop my tears from falling  
I just can't stop my tears from falling down

Like rain, rain  
Feeling lonely

Like rain, rain  
Wonder where you are
