Queen Of Light

Another life into another world  
All innocent in child's eyes  
As pure as water from the riversides  
Is the love for an unborn angel

And she's the Queen of Light, with her might  
The Queen of Light

Dancing with flames in the dark  
A red sky, heaven is bleeding  
Taken a life, given an angel  
The Queen of Light

And she's the Queen of Light, with her might  
The Queen of Light

My child I will not let you down  
Know that you are safe with me  
No tears of sadness my dearest, only of joy  
I will protect you with my life  
Till I'm surrounded by darkness  
Until then, I'll be watching you

My unborn angel, Queen of Light  
My unborn angel, Queen of Light

Hei lille venn  
GrÅt ikke jeg skal trÅ,ste deg for alltid.  
FOR ALLTID
