Album : Survival sickness (2001)

wanna know about your little secret, i wanna know why
we are not equal
wanna know about the great pyramids, i wanna know
just what they really did
wanna know about tianmen square, the names and
faces of those who died there
wanna know about the communards, riot in paris where
the action was
i wanna know about u
wanna know about 1939, spanish anarchists in our time
wanna know about the young pretenders, i wanna know
about what it meant
wanna know about the soulrebels, the allnighters in
every weather
wanna know about the books your reading
wanna know about the blood that you are bleeding
i wanna know about u
wanna know about your secrets, i wanna know why we
are not equal
wanna know about my sisters and my brothers, why we
miss eachother
wanna know about the burning fire, this beat inside i
have this desire
wanna know about the soulrebels, wanna know about
the allnighters
about the city and why we fight it
wanna know about the sound, coming from the
underground, all around yeah
wanna know, i wanna wanna wanna know
i wanna know
wanna know, i wanna wanna wanna know
i wanna know, i wanna know, yeah
