Album : Survival sickness (2001)

i saw my face on a wanted sign, it was plastered all
over town
i saw my face on a wanted sign, high-treason was my
crime
it's all a part of the conspiracy, the hunting down of you
and me
i saw a wall full of wanted signs, and i see your face i
see it all the time
they're looking for us everywhere, everywhere and we
don't care
i saw my face on a wanted sign, it was plastered all
over town
i saw my face on a wanted sign, so i knew i had to get
on down
i had to change my identity, find a new face for you
and me
i saw my face on a wanted sign, i knew right there i had
to blow my mind
they're looking for us everywhere, everywhere and we
don't care
yeah, i want to do it right, yeah, i want to do it
everybody knows that were all crazy, everybody knows
that were all fucked up
yeah, i want to do it right, yeah, i want to do it
everybody knows that we're all fucked, everybody
knows that we're all crazy
a new face so that i could get away, get away for just
one single day
a new identity in a hundred ways, no more an outcast
or a slave
so i slipped into my brand new part, an open book, a
brand new mark
a new identity for you and me, a new face that might
set us free
cause they're looking for us everywhere, everywhere
and we don't care
yeah, i want to do it right, yeah, i want to do it
everybody knows that were all crazy, everybody knows
that were all fucked up

yeah, i want to do it right, yeah, i want to do it.
everybody knows that we're all fucked
hey i said hey now, i said hey hey, everybody's got a
new face
