Shawty you aint tall enuff
You you aint tall enuff Â... NO
You aint tall enuff
You aint tall enuff
Shawty you aint tall enuff
You you aint tall enuff
You aint tall enuff
You you you you you you you

Shawty you aint tall enuff
You aint tall enuff Â... nufff
You aint tall enuff
You You aint tall enuff
Get your swag up
Duffle bag Â... Louis bag up
Get your stature up
Shawty you you even aint tall enuff

I'm a sophisticated lady
In a chromed out S Mercedes
Dem boys I drive 'em crazy
They want me to have their babies
But I'm not that... Stop that...
You can go rewind that
Play this motherfucker back
Cause I aint got time for that
I'm too busy counting stacks
I'm too busy chasing paper
So I make you fade to black
If you not a paper chaser
If you not an entertainer
Baby boy I cant relate to you
So don't disturb this groove

I need a frat boy Â... A rap boy
Someone to break my back boy
A trap boy
And if he got his mind right
Money right
I might let him stay the night
I might let him lay the pipe
He just might get laid tonight
And even though it aint all about that
I need a baller who can catch it
And throw it right back
So ladies if you feel like me
Keep it real like me
Tell them boys
You can't even see 'em

Shaw shaw Shawty you aint tall enuff
You aint tall enuff Â... nuff
You aint tall enuff
You You aint tall enuff
Time to stand up
Time to man up
Get your money up
Get your hustle up
Shawty you aint tall enuff
Shawty you aint tall enuff
You aint tall enuff Â... nuff
You aint tall enuff
You You aint tall enuff
Get your swag up
Duffle bag Â... Louis bag up
Get your stature up
Shawty you you even aint tall enuff

You see, these boys they think I'm crazy
Cause I wont hesitate to stand up right up to their faces
And let them know what's up
Because I aint got time for haters
Wanna be innovators
No I wont be the lady of a lame ass perpetrator
No No
Brush my shoulders off
And dust the Porsche off
And then I go head up the mall and I trick off
See if you aint a boss
No need for us to talk
If you aint tall
Keep it pimpin on the catwalk

I need a frat boy Â... A rap boy
Someone to break my back boy back boy

A trap boy
And if he got his mind right
Money right
I might let him stay the night
I might let him lay the pipe
He just might get laid tonight
And even though it aint all about that
I need a baller who can catch it
And throw it right back
So ladies if you feel like me
Keep it real like me
Tell them boys
You can't even see 'em
