### Isaac Pula Son Krishnas Lyrics

#### Verse 1

Soar like an Eagle aua le tele le tautala  
Oh youre my Reggae Partner  
I take you to the Beach nanei or tomorrow  
So I can wash away all ur sorrow  
Hey little Krishna play ur music loud  
So they can keep on grooving and shout  
So turn it on switch it higher and higher  
Till my heart burns out like a Fire

#### Verse 2

A bit of Calybsso and a bit of cha cha  
Rub and Dub their skin around each other  
Lets keep it right to Control your moods  
And it will make you think of your grass roots  
Hey little Krishna play ur music loud  
So they can keep on grooving and shout  
So turn it on switch it higher and higher  
Till my heart burns out like a Fire

#### Verse 3

Turn off the lights and freeze up your soul  
Starting move until you reach your goal  
Hope you enjoy it and having lots of fun
