Humble under mighty twilight,
rest your thoughts with mine
and we'll still their will by starlight.

And may we allay the hard times.
Lay your lips on mine.
Make or break's no stake tonight.

Breathe hard and give it up loud and push it right
through me.
No higher..
Stardust is lookin' round lost at what you done to me.
No higher..

I hope she's the angel I was told to wait for.
See no, fear no evil. I don't wager she will.

SchÄtz', es setzt 'n soli ein..
I'll guide your hand with mine
and let it set on silent rhymes.

Seal it as we reel inside,
your heartbeat under mine.
Come, you rebel, revel right.

Breathe hard and give it up loud and push it right
through me.
No higher..
Stardust is lookin' round lost at what you done to me.
No higher..

I hope she's the angel I was told to wait for.
See no, fear no evil. I don't wager she will.

Breathe hard and give it up loud and push it right
through me.
Stardust is lookin' round lost at what you done to me.
No high can fuel the red fuel the red rocket I'm in..
No higher...

Come down; there's nothing gone wrong. Your soul has
sung to me.

I heard your very last words, "shut off and come to
me."
Speak low; it's peaceful right now, so it'll shine through
me:
Desire...
