Well, you're well in the corner now;
ain't it hard to imagine how?
More and more you return to see
oh there ain't no God but me.

My God, were you carried away..
breaking wake - now there's hell to pay
Up in smoke and down in flames
My God, were you carried were you carried away

Morning woke a normal day
but I had something else to say
"Marry me so I can stay"
My God, my God

Hey boy, are you talkin' to me?
Cause I ain't coming out to play.
Breakdown, elementary.
My God, were you carried, were you carried away.

Well, you're well in the corner now;
ain't it hard to imagine how?
(What happened?)
More and more you return to see
oh there ain't no God but me.
(I can't win)

God, my thoughts do tend to stray
so back to bed - put it away
but it haunts me when I pray
and as I lay me as I lay me as I lay me as I lay me

Make your peace from your misery
Turn the mirror the other way
Hide the fear that you're burning to see
Oh boy, and behold me - glad you told me.

Well, you're well in the corner now;
ain't it hard to imagine how?
(What happened?)
More and more you return to see
oh there ain't no God but me.

(I can't win)
