ELECTRIC

dancing  
to the sound of the underground  
electric  
in the same room  
on the stereo in mono  
icecold hearts  
at war  
beating to the same tune  
lust for art  
and decadent consuming  
we want control  
we have control  
(its a matter of information) we want control  
we have control  
(its a matter of identification)  
electric  
you and me  
electric  
our chemistry  
electric  
you and me  
electric  
electric  
we want control  
we have control  
(its a matter of discipline)  
we want control  
we have control  
(meet me in berlin, in berlin)
