I DONT UNDERSTAND

i dont understand  
the way you set the stage  
i dont undERstand your songs are so passÃ©  
i dont understand  
the phony things you say  
i dont understand  
as youÂ're walking to the party  
you talk talk talk talking  
collecting numbers for your telephone  
then come morning after  
you find yourself alone  
i dont understand  
why must you be so vain  
I dont understand  
those girls they have no shame  
i dont understand  
youÂ've become such a pain  
i dont understand  
its wednesday night i find you at my door  
dressed to kill  
asking for more  
i think youÂ're strange  
what are you here for?  
you say  
i dont understand
