MODEL

im like a model of health
i lead the good life
and all this chemical love has got its shelf life
i am an owl by day
i need the night life
im only looking for prey
who are you
what you got up your sleeve
who are you
lets just key it up she likes it she whites it out
fire and fade
this elitist life turns me the wrong way
i am your model of fun
ive got hard taste im only looking for prey
who are you
what you got up your sleeve
who are you
lets just key it up
she likes it
she whites it out
he likes it
he likes to swallow it down
its on
lets walk it
keep talking
be with me
im only looking for prey | its on
