WIRES

we live our lives
through the wires
we touch
through the wires
we make love
through the wires
i hate you
through the wires
when i am out of reach
why dont you channel it
and when you need a friend
call me up get in touch
when we are both alone
on our ends of the wires
c'mon now
lets have a liason
through the wires
we live our lives
through the wires
we touch
through the wires
we make love
through the wires
I hate you | through the wires
you dont have to pretend
the screen is your only friend
in a world without love
switch it OFF
switch it oN
switch on
turn on
switch off
