It's never been much romance in my life
But I want happiness - and nothing less
You always seem to break the promises in two
I think the half will do - but hey - It's just you
Nothing mending so much more
That's someone else is searching for
That I was wrong - I was wrong

I won't leave my empty bag
Was I running through my head
And if there's any justice in the world
We will work it out
Crosswords in the night
I can't seem to make it right
So please don't leave me hanging on - hanging on

There's always too much drama in my life
But I want peace of mind - that I can find
I always dream of things I know will never be
It's not the truth I see - but hey - that's just me
I wanna turn my heart away
Every time I hear you say -
We were wrong - we were wrong

I won't need my empty bag
'Cause I'm running through my head
And if there's any justice in the world
We will work it out
crosswords in the night
I can't seem to make it right
Please don't leave me - hanging on

I won't leave my empty bag
Was I running through my head?
And if there's any justice in the world
We will work it out
now I got crosswords in the night
I can't seem to make it right
Please don't leave me - hanging on

I won't leave my empty bag
Was I running through my head?

And it was any justice in the world
We will work it out
Crosswords in the night
I can't seem to make it right
So please don't leave me - Hanging on
Hanging on - Hanging on
Hanging on - Hanging on - Hanging on
Hanging on
