Kiss your pretty girl for me
When I'm done you wont be free
Little fucker can't you see
Deminished capacity
Say that again to me
You move around so carelessly
Tell me that you don't agree
I'll force you down don't look at me

I wont back of again
Don't tell me your a friend
Buddy you brought on this trend
I'll make sure this is your end
You're such a little bitch
This is where I make the switch
Finding out what is for real
What is your fucking deal

You're right I'm much too kind
Too kind
The night it tears my mind
My mind

Motherfucker I don't care
I could take you anywhere
I don't give a shit whats fair
I'm not just given you a scare
Fuck with me it'll be so nice
I wont give you up tonight
I just came here for a fight
You're the one thats lookin right

You're right I'm much too kind
Too kind
The night it tears my mind
My mind

You blink, and i will be there
You think, and i will be there
You drink, and i will be there
You sink, and i will be there
And i will be there

You're right I'm much too kind
Too kind
The night it tears my mind
My mind
