so sick of it, so sick of it
you need a tune to get rid of it
fashion all of it, now take a hit
sweet sweet high, now you begin to reset
im innocent, so innocent
you want my groove so get into it
stomach is upset, last cigarette
i've got you thinking you want another set

I'm under your skin, Oh please let me in
Wash over you now

Oh i want to be an arrow
Fly straight to your bones where it's hollow
Never will i break and let go
So i guess i'll live in your marrow
I'll live, in your marow

you feel it rise, you feel it rise
you see excitement in anothers eyes
yes i hear your cries, so i improvise
i see you wait on every low and high
reach for the sky, i scream and sigh
your in my world so i'll be your guide
oh such a ride, can't brush aside
sensasion vibration welling up inside

I'm under your skin, Oh please let me in
Wash over you now

Oh i want to be an arrow
Fly straight to your bones where it's hollow
Never will i break and let go
So i guess i'll live in your marrow
I'll live, in your...

I'm under your skin, Oh please let me in
Wash over you now

Oh i want to be an arrow
Fly straight to your bones where it's hollow
Never will i break and let go

So i guess i'll live in your marrow
I'll live, in your marow
