Sittin here alone  
Thinking of You  
I'm blown away  
You never gave up on me  
Time after time  
I let You down  
So caught up and focused on me  
My own desires  
Get in the way  
I should be finding my purpose in You  
So I can be  
What You have for me

I need You to search me oh God  
I want to be just like You  
So that you can be seen when they see me  
You know my thoughts  
You know my heart  
Along the way I made mistakes  
But thank You for grace  
Hiding my flaws so they can see You

Lord I want to change take it away  
Whatever it is  
It's my desire  
I want Your heart

Wasted enough of my destiny  
Trying to please those  
Who really dint care about me  
I'm trusting You  
Cuz You hold the plan just for my life  
I stand unafraid  
Desperate for change  
Please take it all so I can be free  
Cuz I have to be more like You

Lord I want to change take it away  
Whatever it is  
It's my desire  
I want Your heart

Oh Lord this is me  
I'm asking You to please  
Change my Identity  
I wanna be more like You  
I'm asking You to please  
Change my Identity  
(Repeat This part 4 Times)

I wanna be more like You  
I'm asking You to please  
Change my Identity (Repeat Section 3 times)

I need You to search me Oh God x5

I want to Be just like You
