I thought we had a good thing goin'  
I bought that good times and good vibes were flowin'  
But lately you're leavin' a different impression  
It's like all you believe in is playing these guessing  
games

And the hardest part is knowing the meaning  
In the lack of the things you say  
I'm on to all of your tricks  
Aw, you're slicker than Jesse James  
You're really somethin'  
Nothing but guessing games

You're hot as Miami, your body is classic  
Your smile is deadly but covered in plastic  
And all those so-called friends you're impressing  
Since they bought you now you got to play these  
guessing games

And the hardest part is knowing the meaning  
In the lack of the things you say  
I'm on to all of your tricks  
Aw, you're slicker than Jesse James  
You're really somethin'  
Nothing but guessing games

You know what is completely obnoxious  
You thought you were my only option  
Must be all that pent-up aggression  
From who caught you and taught you a lesson in  
guessing games

And the hardest part is knowing the meaning  
In the lack of the things you say  
I'm on to all of your tricks  
Aw, you're slicker than Jesse James  
You're really somethin'  
Nothing but guessing games

You're really somethin'  
Nothing but guessing games
