The things you say  
They hit me with a right sometimes  
Hit me with a left sometimes  
But I'm still standing  
For Us  
You make me wanna dream sometimes  
Make me wanna scream sometimes  
I'd never give you up

[Chorus:]

So know you are not alone  
I am in this two, this is us  
This is me and you  
So go, turn and walk out that door  
I hope you find what you're lookin' for  
Just know only God could love you more  
Than I do

I know  
We take it to the limit sometimes  
Our friends get caught up in it sometimes  
Wish we never met sometimes  
I'm not understating

[Repeat Chorus]

The things you say  
They hit me with a right sometimes  
Hit me with a left some times  
I'm still standing  
We're Still Standing

[Repeat Chorus]
