Life is taking turns
Falling flat on your chin
Trying to fly with the birds
And love sure is blind
'Cause it don't see
It ain't spent one night
Feeling sorry for me

There ain't too many times
I've felt like a king
But sitting here with you, dear
Makes me wanna sing

Today, the sun is shinin' on me
Sitting with my feet in the breeze
Ain't sweating the little things
And who knows what tomorrow is gonna bring
But, today, the sun is shinin' on me

Lady Love forgets me every time
I'm spending my days
Stacking nickels and dimes
But the Man in the moon
Hey, yeah, he's all right
He must've flipped on that switch
When he left last night
'Cause I'm feelin' all right
Feelin' all right

Today, the sun is shinin' on me
Sitting with my feet in the breeze
Ain't sweating the little things
And who knows what tomorrow is gonna bring
But, today, the sun is shinin' on me

There ain't too many times
I've felt like a king
But sitting here with you, dear
Makes me wanna sing

Today, the sun is shinin' on me

Sitting with my feet in the breeze
Ain't sweating the little things
And who knows what tomorrow is gonna bring
But, today, the sun is shinin' on me

Sitting with my feet in the breeze
Ain't sweating the little things
And who knows what tomorrow is gonna bring
But, today, the sun is shinin' on me
