I saw her
Flet hot and cold
Stepped out of the crowd
Did something bold

I said
"Hey Girl, What's your name?"
"I saw you out the other day"
"I like your shoes and sweater too"
"And how your pants are royale blue"

Boy: "Just like me"
Girl: "Just like you"
Girl: "It's something that you're welcome to"

And that's when my mind
Went out the window
She was something else
She was something else

(Oh she was)
(Oh she was)
She was something different
(Oh she was)
(Oh she was)
Maybe something strange
(Oh she was)
(Oh she was)
And she caught my attention
(Oh she was)
(Oh she was)

A girl that was made to be mine

I saw that girl again last night
So I did what I thought was right
"Excuse me miss,
I'm not sure if you remember me"

"I liked your shoes and sweater too"
I hope she says "How could I forget you"

And that's when my mind
Went out the window
She was brand new to me

(Oh she was)
(Oh she was)
She was something different
(Oh she was)
(Oh she was)
Maybe something strange
(Oh she was)
(Oh she was)
And she caught my attention
(Oh she was)
(Oh she was)
A girl that was made to be mine

(Oh she was)
(Oh she was)x4
