I'm awake again, Alone again
still Misunderstood x 2

I still spend my time
With something bigger in mind
still Misunderstood x 2

What a mess in hand
Buried my wings in the sand
To the sound of the sea x 2

Did I waste my life
When I took yours
still your with me x 2

I'm not in love with you
I'm just a fallen angel
And you will never give up
Please my dear
You're running out of hope
You're running out of time
With a fallen angel

I forget my depth

I lost my step
Misunderstood x 2

What a mess I've made
The price I've paid
Misunderstood x 2

I'm not in love with you
I'm just a fallen angel
And you will never give up
Please my dear
You're running out of hope
You're running out of time
With a fallen angel

I'm not in love with you
I'm just a fallen angel

And you will never give up
Please my dear
Don't ever runaway
Don't ever run and hide
I've made up my mind
I'll keeps my wings inside
