If I could be anywhere
I'd be in the ocean right now with you

and If I could be anything
well I think I'd be the night time
So I could hide you

and If I could be anyone
I'd choose to be your favorite
You'd pick me every time

But here I am, I'm empty
I'm thinking in my basement
Day dreaming in the night time

Let's give up together
End it forever
Become the ghosts of this town
(In the end survive)

If I could save anyone

I would save this whole world
Not only you and me

If I could change anything
I would change the outcome
Of how things played out

and If I could pick anything
I'd choose to be much stronger
I'd stand up every time

But here I am, I'm empty
I'm praying in my basement
I'm dreaming of the right time

Let's give up together
End it forever
Become the ghosts of this town
(In the end survive)
